ORDER AND JUDGEMENT

Cause called for hearing on February 7, 2027 with respect to Petitioner's Motion to Vacate and Set Aside the Consent order of October 2, 2024 Interim Custody Order. The Court being duly advised in the premises, after taking judicial notice of the entire contents of it's file, argument of counsel and the narrative testimony of Petitioner enters the following order and judgment. Neither party requested findings of fact or conclusions of law pursuant to Rule 73.01(c). Petitioner failed to sustain his burden of proof by clear and convincing evidence that said consent order which bears petitioner's signature was not in the best interests of the parties children or in the alternative that Petitioner signed said consent order under duress.

Petitioner's Motion to Vacate and or set aside the Interim Custody Order is hereby denied.
